Library Management

Search by title or author

New book title New book author Add Book

1984 by George Orwell Remove

The Great Gatsby by F. Scott Fitzgerald Remove

To Kill a Mockingbird by Harper Lee Remove

This screenshot shows a web browser window with four tabs open. The active tab is titled 'Library Management'. The page content is a library management interface. At the top, there's a search bar labeled 'Search by title or author'. Below it are three input fields: 'New book title', 'New book author', and a blue 'Add Book' button. A list of books is displayed in a grid-like structure. Each book entry consists of the title, author, and a red 'Remove' button. The books listed are '1984' by George Orwell, 'The Great Gatsby' by F. Scott Fitzgerald, and 'To Kill a Mockingbird' by Harper Lee.

1984 by George Orwell Remove

The Great Gatsby by F. Scott Fitzgerald Remove

To Kill a Mockingbird by Harper Lee Remove

This screenshot shows a web-based library management system. At the top, there are four tabs: 'Person Class Hierarchy Demo', 'Products List', 'Person Class Hierarchy Demo', and 'Library Management'. Below the tabs, the URL 'localhost:3000' is displayed. On the right side of the header, there are icons for 'Summarize', a star, a user profile, and other navigation options. The main content area has a light gray background with rounded corners. It features a large title 'Library Management' at the top center. Below the title is a search bar with the placeholder 'Search by title or author'. Underneath the search bar are two input fields: 'The life' and 'Divyansh singh', followed by a blue button labeled 'Add Book'. The main content area contains three book entries, each in its own box. The first entry is '1984' by George Orwell, with a 'Remove' button. The second is 'The Great Gatsby' by F. Scott Fitzgerald, also with a 'Remove' button. The third is 'To Kill a Mockingbird' by Harper Lee, with a 'Remove' button. All book titles and authors are in bold.
